INTERNSHIP ACCEPTANCE LETTER

Date: 22/07/2026

Dear Alin Kumar,

We are pleased to extend to you an opportunity to join **THE INVERSE LLP** for the **Training & Internship Program** in the domain of **Data Science** from **10/08/2026 to 10/11/2026**. Based on our interaction and evaluation of your profile, we are confident in your potential and are delighted to welcome you to a structured program designed to enhance your practical knowledge, professional competencies, and industry exposure.

This program has been carefully curated to provide experiential learning through guided mentorship, structured training sessions, and real-time project engagement.

This program has been carefully curated to provide experiential learning through guided mentorship, structured training sessions, and real-time project engagement.

Program Structure

The complete program shall be conducted in two structured phases:

1. Training & Evaluation Phase

The initial phase shall consist of structured **weekend training sessions** focused on developing domain expertise, practical understanding, communication abilities, problem-solving skills, and project readiness.

During this phase:

- Attendance, participation, and timely completion of assigned tasks shall be mandatory.
- Your overall performance shall be continuously assessed by assigned mentors based on professionalism, discipline, communication, learning aptitude, consistency, task execution, and collaborative approach.
- Regular assessments, activities, and practical assignments may be conducted to evaluate progress and performance standards.
- Progression to the Internship & Project Phase shall be subject to satisfactory performance during the training and evaluation period.

2. Internship & Project Phase

Upon successful completion of the training phase, you will advance to the internship phase, where you shall work on practical industry-oriented projects under mentor supervision.

This phase shall include:

Minor Project

- Duration: **1 MONTH**
- Execution may be individual or team-based depending upon project requirements.
- Focused on practical implementation, conceptual clarity, and task execution.

Major Project

- Duration: **1 MONTH**
- Mandatory **Group Project**
- Designed to evaluate teamwork, project coordination, execution strategy, reporting standards, presentation skills, and overall project delivery.

Mode of Program

This shall be a **fully online Training & Internship Program**. All participants are expected to maintain professional conduct, attend scheduled sessions, actively engage with mentors, complete assignments within prescribed timelines, and adhere to organizational guidelines throughout the duration of the program.

Performance Evaluation & Certification

Participants who successfully complete the training sessions, assessments, project submissions, and overall internship requirements shall be eligible for:

- Internship Completion Certificate
- Project Completion Certificate
- Letter of Recommendation / Performance Appreciation (subject to performance evaluation)

Please note that certification eligibility shall be strictly based on attendance, discipline, task completion, mentor evaluation, and overall program performance.

We are excited to have you onboard and look forward to supporting your professional growth and career development journey with THE INVERSE LLP.

Sincerely,

HR Team
